

COMPANY PROFILE

Crescent Technologies is a Professional IT Services Company based in Mumbai located in Tardeo, which specializes in providing cost effective and high value IT Management and Business Solutions. We help our clients with the selection, installation and maintenance of their complete IT Infrastructure that runs their business. We have an experienced Technical and Management team, a sound financial base and the expertise and speed to help our clients achieve faster corporate growth.

Established in 1997, Crescent Technologies has maintained a strong reputation as an IT Solutions Provider and a Business Consulting Firm who can be depended upon to deliver rapid results for our clients. This reputation has enabled us to build an enviable list of over 100 satisfied clients that includes some of the Top 1000 companies in the country.

Crescent Technologies provides a full suite of Professional IT Services, encompassing all phases of the IT Infrastructure Project – the planning – the assessment and selection – including all phases of implementation and integration. In projects for up gradation we take care of optimization and support.

All our Products and Services can be customized to meet diverse client requirements. We deliver efficiently and punctually thus enhancing client's value and their IT investment return.

COMPANY OVERVIEW

Crescent Technologies is an Information Technology Consulting Company specializing in the delivery of dependable and comprehensive IT Solutions.

Since its inception in 1997 Crescent Technologies has proved itself and consistently provided a full range of IT Business Consulting Services. Crescent provides IT Business Solutions for Financial Services and Realty Industries – Healthcare – Manufacturing – Infrastructure – Data Centers and BPO – Education – Hospitality, etc.

We have a pretty straightforward motto: **“Provide the Best IT Solutions with Superior Level of Service at the Most Affordable Cost”**

In pursuit of this mission Crescent Technologies has divided its internal structure into Client Need Assessment – Selection, Procurement, Supply and Installation / Maintenance.

Crescent is one of the most active IBM Business Partners besides having strategic business alliances with the leading IT Hardware, Networking and Software Solutions leaders. Be it Dell, HP, Lenovo, Toshiba or Compaq, we offer you the latest technology and the most cost effective IT solutions.

Crescent employs an experienced team of well-informed project managers and technical engineers whose combined knowledge and practical experience in this fast moving and rapidly changing industry gives us an unparalleled advantage over our competitors.

PRODUCTS & SERVICES

Crescent Technologies follows a well planned agenda for rapid growth and market leadership and to this end we have entered into strategic alliances with the leading manufacturers/suppliers of a plethora of products to meet any and every need.

Our alliance is with **IBM** as a Business Partner and with **DELL** as EA certified partner where we play the field aggressively, thus enabling us to offer the most cost effective solutions to our clients.
